The bus will be leaving from the Junior School at 7.30am and will return at 2.45pm (leaving the Senior School at 2.15pm). Please tick the box on the application form attached if you will require your child to use this bus service. **Please note that in order to use the bus service, it must be used for the entire week, both to and from the Senior School. It is not offered for one journey or for individual days. A seat on the bus must be reserved by filing in the application form before the deadline. Children will not be able to use the bus service unless a seat has been reserved. Please see the application form for prices.**

If you choose to take your child directly to the Senior School, the children can be dropped off from 7.30am at the main entrance to the athletic centre. It is essential that when you drop your child off in the morning (at either school) that they are registered with the member of staff who will be there to welcome them. Pick up will be at 2.30pm at the main entrance of the athletic centre. You will also need to sign your child out before leaving for the day with the teacher on duty.

Early Pick Up

If you wish to pick your child up early from Summer School, they will be eating lunch from 12.30pm until 1.15pm. Due to our free choice option, before and after this time the children could be in various locations around the site. Therefore if you require your child before 2.15pm, please call Esther Alexandrides on 99354503 and we will bring your child to you at the main reception of the school.

Swimming

Children will have the opportunity to swim every day. They will need to come to Summer School dressed in their swimming costumes and have a change of clothes in their bag, along with a towel, flip flops and goggles. **Please fill in the relevant section on the application form regarding your child's level of swimming.** At all times there will be life guards on duty, qualified and experienced swimming teachers

Trips

Week 2 (9th July – 13th July) - Trip to MacKenzie Beach in Larnaca

Week 3 (16th July – 20th July) - Watch a film at Cineplex Cinema in Nicosia

Week 4 (23rd July – 27th July) - Trip to Cyprus Land Medieval Theme Park in Limassol

Further information regarding trips will be given on a week by week basis.

Trip to MacKenzie Beach.

Children will need to wear their swimming costumes under their clothes and have a change of clothes in their bag. We recommend they wear flip flops on beach days but may want to keep a pair of trainers in their bag in case they take part in a sport activity later in the day. If your child would like an ice cream while at the beach please give them €2.

We have a high ratio of adult to children on any of our excursions and an even higher ratio on beach trips. The children are only allowed in a sectioned off area of the beach and are accompanied by an adult at all times.

Sun Protection

We always plan our days to avoid the heat, therefore we make the most of the cooler hours outside until 11am and then we offer indoor activities after this time. Please ensure your child comes to school with sun cream already applied and with the bottle in their bag so that it can be reapplied when necessary. If you would like a member of staff to apply sun cream to your child during Summer School, please complete the sun cream permission form. All children need to have a hat and lots of water (at least 2 bottles) to drink every day – especially on trip days. They will be able to re fill their bottles from the water fountains on site, or buy additional water from the tuck shop.

Breakfast and Lunch

A buffet style breakfast and lunch is provided by the school as part of the package! At break the children are also served fruit salad each day.

Children will eat their breakfast at 9.30am and lunch at 12.30pm. In addition to this, snacks and drinks will be sold in the tuck shop. If your child has any special dietary needs we can put you in contact with the chef who will be able to discuss these with you.
