ADDITIONAL INFORMATION

Prepayment

The Prepayment Fee of €700 is due for payment on the 30th April 2018 and must be paid to secure a place at the Senior School for the next academic year. This sum will be treated as part of the 2018-2019 school fees and is not refundable. A full term's notice of intention to remove a child from the School must be given to the Headteacher in writing. Unless such notice is given, fees for the following term will be payable.

The prepayment for the academic year 2018-2019 will not be accepted if any fees are due in relation to the academic year 2017-2018.

Administration Charge of €50

An Administration Charge of €50 per child will be applied if payment is not made by the applicable term fee deadline. This charge will be imposed if term fees are not settled in full by the 1st day following the applicable due date for each term. This applies to all three term deadlines during the academic year with a maximum total of €150 per child.

It is important to note that for any amount paid, the payment is first allocated to cover the Administration Charge and then to the school fees due at that date.

The Development Fee of €750

The development Fee of €750 is a one off payment paid by every new pupil starting the school. This is a non-refundable amount and is used for the development of the school during your child's time here.

Renovation Fee of €600

Renovation fee of €600 is a voluntary interest-free loan paid to the School in two instalments of €300, over a two-year period. This amount is refunded when your child leaves the School.
