Summer School at The Junior and Senior School! **For Year 1 – Year 8**

The Junior and Senior School will be offering 4 fun packed weeks of activities for the children throughout July. Summer School is offered for children from Year 1 right through to Year 8! The children are organised into age groups and are given a 'free choice' of activity each session. There are 4 sessions a day. Students from Year 6 to 8 are offered a more relaxed programme which involves 'chill out' time by the pool and access to the gym.

Dates and Times

We begin on the 1st July until 26th July 2019

7.30am – 2.30pm

Activities

In addition to the great variety of FREE CHOICE activities that we already offer, every week there will be:

Swimming every day in the large outdoor pool on site

Life saving for confident swimmers

CrossFit for Kids (fun circuit training)

Survival Courses

Themed Weeks

Science Investigations

Slip and Slide/Water Games

Tennis and Karate Coaching

Cooking

Drama and Dance

Location

We will be based at the beautiful Senior School premises in Latsia. A bus service from the Junior School to and from the Senior School will be offered every day, or alternatively you may drop your child off at the Senior School. The bus will be leaving from the Junior School at 7.30am and will return at 2.45pm (leaving the Senior School at 2.15pm). Please tick the box on the application form attached if you will require your child to use this bus service. **Please note that in order to use the bus service, it must be used for the entire week, both to and from the Senior School. It is not offered for one journey or for individual days. A seat on the bus must be reserved by filing in the application form before the deadline. Children will not be able to use the bus service unless a seat has been reserved. Please see the application form for prices.**

If you choose to take your child directly to the Senior School, the children can be dropped off from 7.30am at the main entrance to the athletic centre. It is essential that when you drop your child off in the morning (at either school) that they are registered with the member of staff who will be there to welcome them. Pick up will be at 2.30pm at the main entrance of the athletic centre. You will also need to sign your child out before leaving for the day with the teacher on duty.

Early Pick Up

If you wish to pick your child up early from Summer School, they will be eating lunch from 12.30pm until 1.15pm. Due to our free choice option, before and after this time, the children could be in various locations around the site. Therefore, if you require your child before 2.15pm, please call Esther Alexandrides on 99354503 and we will bring your child to you at the main reception of the school.

Swimming

Children will have the opportunity to swim every day. They will need to come to Summer School dressed in their swimming costumes and have a change of clothes in their bag, along with a towel, flip flops and goggles. **Please fill in the relevant section on the application form regarding your child's level of swimming.** At all times there will be life guards on duty, qualified and experienced swimming teachers inside the pool with the children and teachers observing from the pool edge. Children will be organized into small groups when having a swimming lesson. The lessons consist of more formal teaching and then free time and games. Friday is a free swimming day/games day.

A trip out

During **Week 1 there will be a trip to the cinema.** Details of the film we will watch will be made available nearer the time as will the exact day that we will go. The film will be age appropriate for your child and reviews can be read on www.common sense media.org

We will leave school at 8.30am and return at 12.30pm for lunch. Children can take 2 euros with them on the day as popcorn and a bottle of water will be available to purchase.

Special Events

This year, along with our themed weeks we will be organising special events to take place throughout the week which may involve special visitors, activities or performances. You will be informed of these events on a weekly basis via the weekly programme which is given out on the Monday of each week.

So far we have planned:

Week 1: **“Lights, Camera, Action”** - Cinema trip and karate workshops.

Week 2: **“Let’s Explore”** - Science Week – Clap 3C will visit and the children will take part in investigatory science. We will also have a dance show which the children will take part in and perform for the parents.

Week 3: **“Circus Time”** – Children will be introduced to the skills of the circus and have fun on the inflatable games. There will be a drama performance that the children will take part in and perform for the parents.

Week 4: **“We’ve Got Talent!”** – Master Kids will visit and there will be a disco. Children will also be able to take part in a talent show.

Sun Protection

We always plan our days to avoid the heat, therefore we make the most of the cooler hours outside until 11am and then we offer indoor activities after this time. Please ensure your child comes to school with sun cream already applied and with the bottle in their bag so that it can be reapplied when necessary. If you would like a member of staff to apply sun cream to your child during Summer School, please complete the sun cream permission form. All children need to have a hat and lots of water (at least 2 bottles) to drink every day. They will be able to re-fill their bottles from the water fountains on site, or buy additional water from the tuck shop.

Breakfast and Lunch

A buffet style breakfast and lunch is provided by the school as part of the package! Children will eat their breakfast at 9.30am and lunch at 12.30pm. In addition to this, snacks and drinks will be sold in the tuck shop. If your child has any special dietary needs, we can put you in contact with the chef who will be able to discuss these with you.
